+91 0989 521 8195

Innovative Senior Graphic Designer with 9+ years of experience steering visual strategy, branding, and commercial packaging. Expert in integrating advanced Generative AI workflows (Midjourney, Runway etc.) with industry-standard tools (Adobe Creative Suite) to accelerate asset conceptualisation, shorten production cycles, and deliver high-impact ad campaigns. Proven track record of delivering high-quality work on time, collaborating effectively with cross-functional teams, and adapting to evolving creative challenges. Passionate about design trends, storytelling, and turning concepts into polished visuals that resonate.
